#### FRIENDLY FIRE

First writing this letter because I thought your readers. would be interested in hearing about my experience, but I have to tell you right from the start that It this kind of thing can happen to me it can happen to anybody. i'm not anything special—simply a bolding, 52-year-old divorced man with a nim build and a dead end job monaging a convenience store. Why anybody would choose me to be part of a threesame a still a mystery.

In the end, decided to give it a shot and an houlater, was ridgeting nervously in fact of their corn.
